

TONOMATUL SUNETULUI S

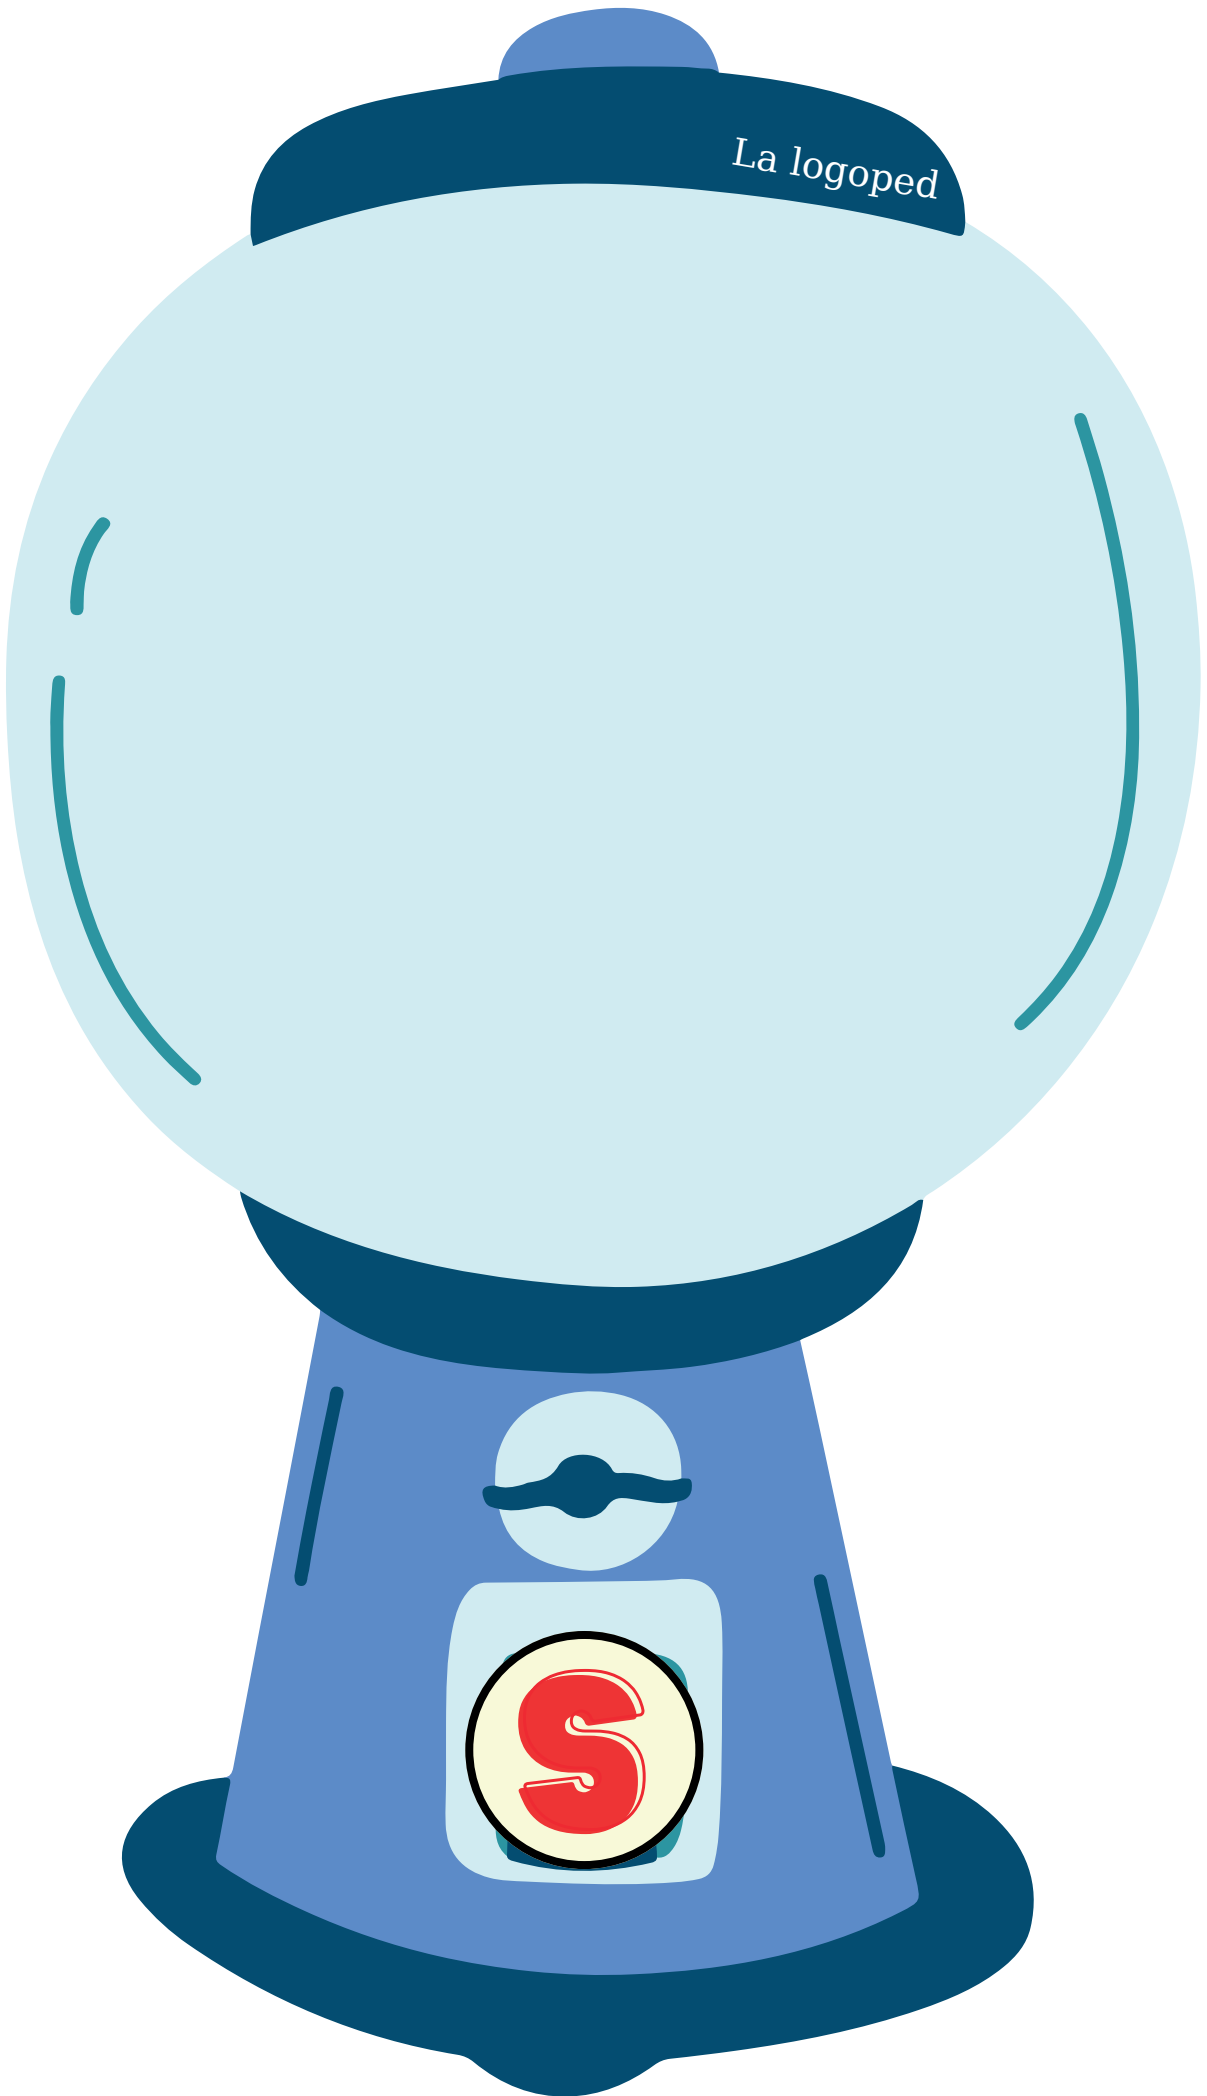

Instrucțiuni

Varianta 1

1. Imprimă planșele cu imagini
2. Laminează planșele pentru durabilitate.
3. Decupează jetoanele.
4. Adaugă buline de scai pe spatele jetoanelor și pe planșă
5. Tonomatul cu bile funcționează doar cu bile a căror imagine conține un cuvânt cu sunetul S inițial. Rostește cuvintele și alimentează aparatul.

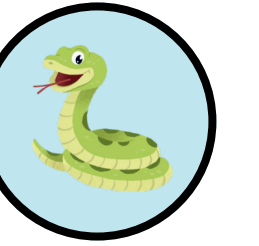

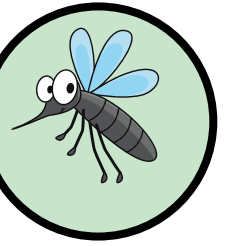

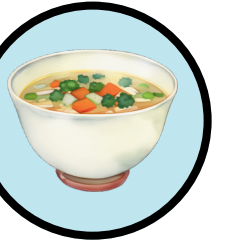

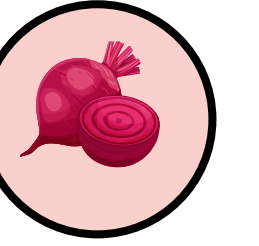

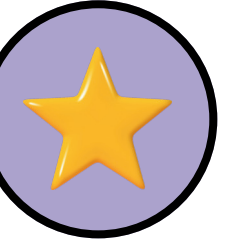

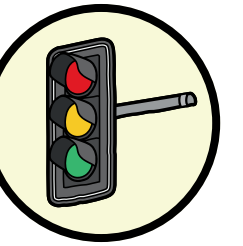

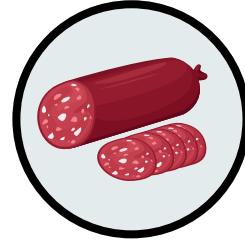

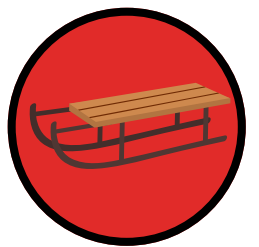

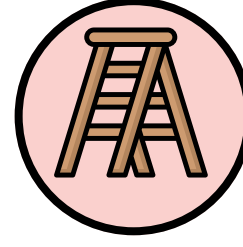

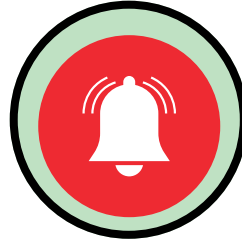

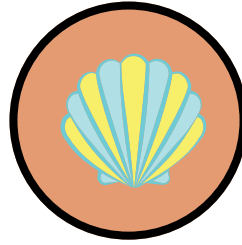

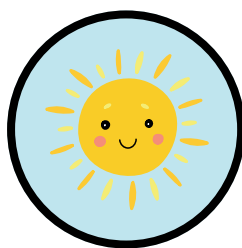

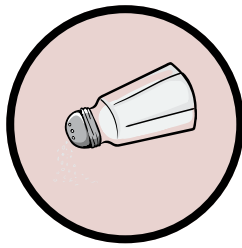

Varianta 2

*Aveți atașată și varianta cu „aparatul alimentat” unde trebuie doar să printați planșa
